

****** FELLOWSHIP GUIDELINES ******

Due to the excitement of the Kona event as well as "Popsicles & Pets", we're really looking forward to "Brownies & Bikes" tomorrow night. As you are aware, we all have different views regarding the potential risks with Covid-19. Because there has been an increase in cases in certain regions, outside ours, we want to encourage caution as we gather. We are asking our families to take time and read the guidelines below to ensure the absolute safety of our kids and families:

1. Masks will be available at the "brownie table" (or feel free to bring your own). Those serving will wear them. The state suggests that masks be worn in large gatherings, particularly if close contact occurs. Please use your own judgment and respectfully allow others to do the same.
2. The kids will have the entire upper parking lot to ride their bikes, so distancing for them will be attainable. As the rest of us enjoy some much-needed fellowship, either in our camp/lawn chairs or just standing around, let's all be mindful of the distance between us.
3. Adults and youth will be meeting around our campus. Please be mindful of others as you drive in the parking lot. Please help your children and youth stay with their group.
4. We will have hand sanitizer/clorox wipe "stations" set up, so look for those and feel free to sanitize as needed.

As we come back together, thank you for being patient with us and showing grace as we walk through these waters together. This is new territory for everyone, but God is good and He is faithful. We love you, church!
